Fun Walls

by **WALLTOPIA**

THE CONCEPT

Discover the biggest variety of fun walls.

Fun Walls are interactive climbing walls which develop kids' social, cognitive and physical skills.

With different themes, sizes and over 70 models available for both indoors and outdoors, they fit in a wide variety of venues. Fun Walls are the ideal attraction to bolster re-
turning customers with their diverse climbing experiences, extensive gamification options and low staffing needs.

3D FUN WALLS

OCTOPUS

Our 3D Walls take climbing to the next level. With interactive elements such as LED lights, moving holds, timers, knobs, and buttons, each one of these premium walls offer an extra dose of excitement!

WALLTOPIA

OVER 1800 PROJECTS

IN 78 COUNTRIES ON 6 CONTINENTS

Founded in Bulgaria in 1998, Walltopia is a world leader in the Climbing and Adventure & Leisure industries. The company started out with the purpose of designing and manufacturing the most advanced climbing facilities in the world.

Our passion for science, technology and our obsession with excellence and safety, made us a leader and top expert in the Climbing and Active Entertainment industries.

We pride ourselves with our highly complex projects that always deliver expected results – starting with the design, moving on to the installation and finally – the certification.

Today we have the largest portfolio of classic and novel attractions that combine fun and entertainment with healthy doses of adrenaline for people of all ages. With sales offices in the USA, Canada, China, UAE, Asia Pacific, a Head office in Sofia, Bulgaria and four production plants employing more than 600 people, to this day, we have produced over 1800 projects in 78 countries and on 6 continents.

Our products are installed across adventure parks, amusement parks, shopping malls, gyms, recreational areas, ski resorts, schools & universities, hotels and more.
