Build Authentic.

Lexington, a brand of the Companies of Nassal, is an award-winning scenic fabricator with offices in Los Angeles, CA and Orlando, FL. We specialize in scenic elements for casinos and hotels, cultural destinations, retail, dining and entertainment. As a newer addition to the Companies of Nassal family, our core culture extends coast-to-coast and is found among our dedicated, and talented artisans and craftsmen. We bring the financial-stability of the Companies of Nassal, combined with our stellar reputation for a strong work ethic, creative atmosphere, and commitment to deliver the best, most iconic projects in the world.

Cascading waterfalls, dreamcatchers, towers of fire, and natural elements immerse you in tribal culture, and tell stories that inspire, entertain, and educate. Our 35-year legacy of building authentic, memorable environments for casinos and hotels, along with the passion of our people, increases quality, and optimizes value. We build lasting relationships with our clients by relentlessly doing what's right while having fun along the way.
