

Embrace digital. The all-in-one attraction management software and mobile visitor app for **museums**.

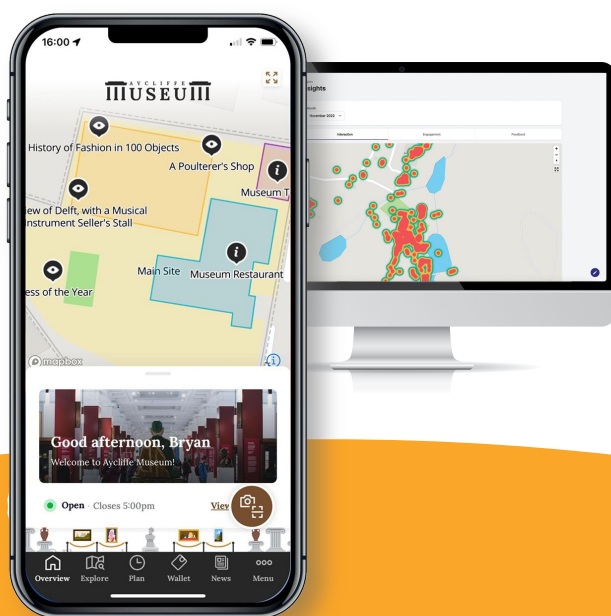

Request A Demo

Technology and innovation is changing how we experience the world around us from visitor attractions to entertainment, sports, hospitality and retail.

We help you embrace digital.

- Pay monthly, digital solution
- No technical skills required
- Quick to deploy with minimal resources
- Increased revenue potential
- Feature rich, highly customisable mobile app
- Integrates with digital ticketing
- Inbuilt marketing and audience insights

Helping you to enhance the experience, gain valuable insights & drive revenues.

Just some of the benefits:

- **Enhance the experience**
Enhance your exhibit and collection information with more educational and informative content. Create trails, quizzes and other interactive experiences.
- **Gain valuable insights**
Gain valuable insights into visitor behaviour as you monitor dwell time and site interactions. Use this data to improve operations and deliver a more personalised and interactive experience.
- **Drive revenues**
Use insights to deliver highly targeted messaging and notifications to help drive revenues. From membership offers to events, special experiences and discounts, communicate with your audience live as they move around and dwell at exhibits and points of interest.
- **Go paperless and become more sustainable**
Embrace digital with your maps, ticketing and on-site signage whilst improving your audience experience.

Commercial
Member

The all-in-one, attraction management software & highly customisable visitor mobile app for **museums**.

Just some of our key features:

Digital Ticketing & Memberships

Reduce entry congestion with tickets & memberships displayed in-app.

Interactive Maps, Trails & Wayfinding

Help audiences find their way, by navigating to exhibits, collections & facilities.

Messaging & Notifications

Segment audiences to send personalised messages, offers & notifications.

Trigger Activations

Use the powerful trigger system combined with beacons and QR codes.

Day Planning with Reminders

Talk and presentation times with event reminders, navigation & feedback tools.

Interactive Content

Create interactive & engaging content using text imagery, audio and video.

Fundraising & Donations

Help fundraise with individual & corporate donations with search & find in-app.

Learning & Education

Create fun in-app exhibit quizzes to aid learning or use the lesson planning tools.

Audience Insights

Gain valuable insights into audience behavior, to help plan operations.

Capture Their Day

Create fun interactions using customisable photo frames to share on social.

Order & Pay Functionality

Use our order and pay integrations to place food orders through the app.

Promote Sustainability

Using a mobile app helps improve sustainability, and reduce paper.

New ways to deliver the museum's mission.

The n-gage.io platform has been built from the ground up with museums in mind. The highly customisable software is packed with engagement tools to power your digital museum experience.

An affordable, easy to use, digital transformation solution giving you the power to get interactive with your own museum visitor app. Putting the audience at the heart of your museum experience doesn't need all of your resources. Embrace digital and use the power of technology to transform your audience experience.

For more information about how n-gage.io can help your museum transform the audience experience, request a free demo of the all in one attraction management software & mobile app at <https://www.n-gage.io/request-a-demo>
