

OVERVIEW

PLAYNEO unites exciting new gameplay and proven experiences by Attraktion! powered by Playoke to create a new gaming universe!

Playoke is the world's leading group game experience used by Dreamworks, National Geographic, Cirque Du Soleil and many others in out of home group gaming with installations globally.

Attraktion! is the world's most innovative media based attraction provider for small and medium attraction formats with constant new inventions.

Play Cabana is the first product in the **PlayNeo** universe, where small groups gather to enjoy playing together in an exciting new form.

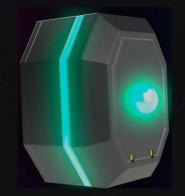

GAMING WITH INTERACTIVE HANDHELD DEVICES

At Play Cabana each player uses Attraktion's new Active Shieldz system to score on projected screens.

Therefore, Attraktion! has developed one of the world's most accurate interactive throw device systems.

With our patent pending system no IR, Camera or Laser System is needed!
