An aerial night photograph of the Miami World Center resort. The image shows a large, curved swimming pool in the foreground, illuminated with bright blue lights. To the right, a multi-story hotel building with a curved facade is visible, featuring numerous balconies and palm trees. The pool area is surrounded by landscaped grounds with palm trees and walkways. In the background, a green sports field is visible. The overall scene is illuminated by warm white lights from the buildings and pool area, contrasting with the dark night sky.
