

# S.E.P.

SHOWTIME ENTERTAINMENT PRODUCTION

Complete solution for live entertainment

# INTRODUCTION

Here is an overview of the Showtime Entertainment Production areas of talents for your future shows' production development and daily operations. The variety of artistic content that we are presenting here are shows that have already been designed, produced and operated around the world.

Our entertainment products are perfectly adaptable to your context, environment, and budget.

As each project is UNIQUE, these examples and information are intended for informational and reference purposes only and do not constitute any form of legal agreement nor final product.

The figures mentioned do not take into consideration parameters such as theatre, building development...etc...yet include production & operation costs for one month of show run.

The average performance rhythm and frequency is 6 working days a week and 3 shows per day. All of them finish with a meet & greet.

Showtime Entertainment Production develops CUSTOM MADE projects. We take our client's vision and develop it into a sustainable production incorporating the latest artistic trends, and using the latest show technology available based on your needs, desires and envelop!

**WE DELIVER ON TIME, ON BUDGET AND ON TARGET - GET READY TO BE THRILLED!**

# 1 STUNT SHOW

## Thunder Chase:

In a unique theater with 3000 seats. A live action spectacular that simulates an actual blockbuster movie being filmed on set. Produced by an international team of 17 nationalities with SFX, HumanTorch, Parkour, Fight Action, FMX, Car & Bike Chase... at "Changying Global 100" Theme Park in Haikou, the Island of Hainan, China.

## Movie World:

An action movie experience, filmed in front of a live audience. It includes adrenaline-fueled stunts such as drifts, jumps, speed, high-fall and parkour; And it features unique vehicles from Fast & Furious original movies.

## Dabangg:

Filled with unbelievable action, the best oneliners including Bollywood song and dance. Join police officer Chulbul Pandey as he rescues his damsel Rajo and her friends in an explosive spectacle to remember at Bollywood Park, Dubai.

# 2 EXTREME SPORT PERFORMANCE

Whether designed for your indoor or outdoor venue, our extreme sport shows will bring heart stopping displays to your events! Get ready for a dose of adrenaline with professional athletics skills such as :

## On Land : FMX, BMX, Basket Ball

Experience the power and skill of FMX and BMX performers whose skills explode on the stage. The incredible evolution of the materials and conditions have allowed longer flights, stunning aerial gymnastics and staged lineups of multiple performers in a tightly choreographed sequences with dynamic music and narration.

As for the Dazzling Slam Dunks, their high-flying acrobatics, mini-trampoline stunts and power moves fill the stage in a festive whirlwind of upbeat Music, Dance, Dunks and exuberance.

## On Water : High-Dive, Jet-Ski, Fly surf

The performers will demonstrate their techniques of High Diving from an 80-foot platform above a portable pool which is 26 feet in diameter and 10 feet depth. We also have our very own synchronized Jet Ski and Flyboard display team, performing synchronized freestyle, freestyle solo, Flyboard and the Spectacular Human Torch. These Wow factors will dazzle spectators with their on-water stunt displays, from Back Flips to Barrel Rolls, etc.

# 3 MULTIMEDIA SHOW

A multimedia show that includes a Water Show with light installations and special effects. Water fountains, pillars of fire, lasers and special effects, as well as synchronized film clips and music combining to create a show the entire family will love. High-tech projectors (video projection process) can be used to show razor-sharp film clips on a water screen.

# 4 CULTURAL SHOW

We value the beauty that comes from cultural diversity. We can offer shows that enhance the cultural heritage of different global regions. Our cultural shows fascinate, connect with and deeply move audiences with our ability to extract the core essence of a given patrimony and bring it to the stage.

Such as:

**Taiko traditional Japanese drum**  
used historically to summon spirits for fortune, strength and harmony.

**The art of Georgian Folk dancing**  
These breathtaking dances represent a live history book expressing the centuries of Georgian art, culture, and tradition

**Bollywood dance**  
in different styles and interpretations from all of the surrounding areas like drama, khathak

**Ancestral culture of the Polynesia Maohi.**  
French Polynesia is endowed with five archipelago as vast as all of Europe. The ballet Show Tahiti recalls its ancestral singing and dances and its myths

And many more...

# 5 EDUCATIONAL SHOW

## EDUCATION AND ENVIRONMENTAL SHOW

### San Diego Zoo and The Drip Dudes Show

These cool, colorful cartoon characters are a tool to teach children of all ethnic groups about protecting the environment. Together, these fabulously entertaining raindrops take our little character, down the road from water-ignorance to water-awareness in an interactive show full of exciting music, dance and plenty of fun.

### Marvel show:

A new interactive show. «Operation Green» to teach children and families about the importance of "going green" and protecting the environment.

### Legoland Loudest Shout:

an original live show combining incredible stunt work, striking characters, a funny story, a catchy song, a nimble dance and jaw-dropping magic for an educational purposes: teaching kids the dangers around the house preventing any type of accident!

# 6 CIRCUS SHOW

Through traditional or contemporary practices, S.E.P will transport you back to the wonders of your childhood, and introduce your children to the wonders of imagination with no limits.

## Legend of the Lion King:

Once upon a time, teams challenged each-other through impressive traditional Acrobatics, but as well Parkour, Kung Fu and dance.

## The Han show

Is a celebration of the essence of Han Culture in a theatre that has become iconic. S.E.P had creating and developing the most thrilling act of fly surf and jet ski. A turn key and unique solution for a modern circus

## Circus Act,

such as the Russian Bar which combines the gymnastic skills of the balance beam, the rebound tempo skills of trampoline and the swinging handstand skills of uneven and parallel bars. We can provide and stage all kinds of circus acts according to your needs

# 7 STREETMOSPHERE SHOW

AN ATTRACTION TO ENTERTAIN AND INTERACT WITH  
YOUR GUESTS

## Cinefollies

**LIGHTS ! CAMERA ! ACTION !!!!**  
The shooting begins ! The director gets crazy as he is directing the whole cast and the audience can see all the action right in front of them !

**FUN , INTERACTION, AUDIENCE PARTICIPATION , FUNNY MOMENTS, and No Language barrer** are the key words for this show which will create unforgettable memories !!!!!

## Stilt Birds

These tall, graceful birds are fully articulated wooden puppets controlled by skilled stilt performers. What your guests will experience are spectacular birds with all the color and finery of a supernatural creature. Led by their ever-watching Shepherd, these animated birds interact with their audience – a gentle head tilt, or the graceful movement of a feathery crest or inquisitive beak will take your audience's breath away

# 8 CONCEPT DESIGN

**TECHNICAL DESIGN**

**SCHEMATIC DESIGN**

**ILLUSTRATION DESIGN**

**CREATIVE DESIGN**

Before each project...There is an idea

Because each project is unique, SEP values each detail and brings its 26 years of expertise to create your turnkey Solution Entertainment by:

- Developing indoor or outdoor venue projects, temporary or permanent installations, either intimate or large-scale settings
- Adjusting the scale, length, show run to its context and/or environment,
