

Proven suite of **unattended** mixed reality attractions

“

**The Valo Motion products are well made, just well done.
They are exactly what we were looking for.**

Dustin Pelletier, Franchise Owner of Big Air Trampoline Park
(4 locations in the USA)

Modern, active entertainment solutions for your venue

Our award-winning, mixed-reality products - ValoClimb, ValoJump and ValoArena - are designed to encourage repeat play, as well as to maximize floor space and revenue. Valo Motion's attractions are unattended and easy to play and operate with no headsets, controllers or wires required.

Interactive mixed reality jumping attraction

Gamify ordinary trampolines and air tracks into an award-winning mixed reality game, where players see themselves on screen inside the video game while jumping. The popular double setup allows two players to play the same game together on separate trampolines or air tracks.

- Safe, hygienic, and easy to operate with no dedicated staff needed
- Turnkey solution, easy to retrofit in existing locations
- Air track option for venues with low ceiling heights
- Available with 55" and 86" screens
- Suitable for single-unit or multi-unit setups on both trampolines & air tracks

The original augmented climbing wall

ValoClimb combines motion tracking and projected graphics to transform an ordinary bouldering wall into a real-life active video game. It encourages active social fun by accommodating up to 4 players simultaneously.

- Perfect for group events and birthday parties
- Safe, unattended, and cost-effective
- Retrofit existing walls or install new
- Immersive gameplay for kids, beginners, and climbing enthusiasts

Valo Motion Service

To ensure worry-free operation & maximum uptime, all Valo Motion products require an active service plan. This comprehensive subscription includes:

-  24/7 Customer care (in English)
-  New games and frequent updates
-  Easy cloud-based operations

“ Valo Motion’s service is top-notch. We can solve most issues ourselves, but when we need help, they’re quick to respond remotely. Their dedication really shows.”

Dustin Pelletier, Franchise Owner
of **Big Air** Trampoline Park
(4 locations in the USA)

Active entertainment park concept for shopping malls

Scale your leisure business into shopping malls with ValoPark, bringing Valo Motion's cutting-edge, mixed-reality attractions to high-traffic retail hubs. ValoPark is a 'Fun Court,' a social gathering space in malls where families can play and share memorable experiences.
